

Boston Think:Kids Support Group **Yawkey Center @ Massachusetts General Hospital**

Our group provides a supportive environment where caregivers can work together to build skills and confidence applying the approach described in the book, *Treating Explosive Kids: The Collaborative Problem Solving Approach*. All meetings are free, open to the public, and available on a drop in basis. No registration is required. We hope you will join us and bring a friend or colleague! We recommend that you register for My Think:Kids, our social networking community to stay connected, as well. Please send us your username so that we can add you to our Boston Support Group Private Forum, so you can stay in touch with group members, in between meetings.

Parking is available at the MGH Yawkey Center Garage or at the MGH Fruit Street Garage. Be sure to request a voucher at the meeting so that you can access the validated rate (\$8.00 for 1-2 hours) when you exit the garage. There are also some metered spaces (quarters needed) on Cambridge Street where you may be able to locate parking. The Yawkey Center is also easily accessible from the **T, Red** Line, Charles Street stop (across the street), and is just a short walk from North Station (MBTA commuter rail, and the **T, Green** or **Orange** Line).

Note: In the event of inclement weather and the need to cancel a meeting, I will send out an email notice. You may also email: info@thinkkids.org, or call: 617-643-6030, or check My Think:Kids, Boston Support Group Private Forum.
